Light Bone Handy

Portable Super wide range brightness lighting tool for

- Reading
- Emergency lighting
- Lighting tooling for vehicle
- Fixing lighting
- Camping

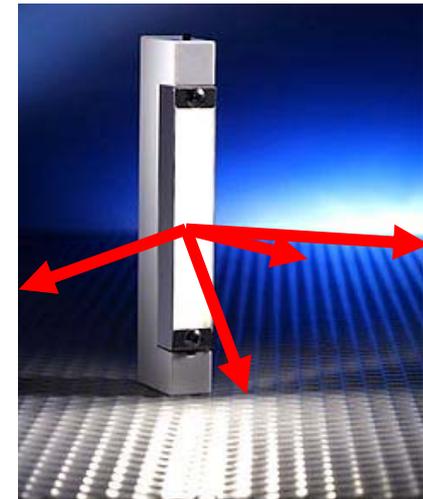

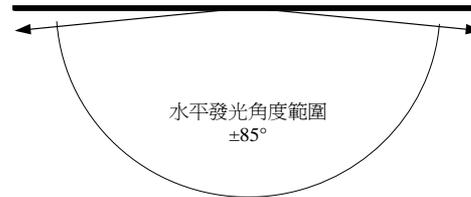

Pink Blue Green

Light bone handy

- Feature

- High efficiency anti-glare optical treatment for LED (Focal Diffuser TM Optics Inside)
- Super Luminous flux 100 lm ,Low power consumption 2w
- Super Wide lighting range 170°

Focal Diffuser TM Authorized by ITRI Taiwan
Focal Diffuser TM optics is developed by ITRI Taiwan

ROYAL LIGHT ELECTRONICS CO., LTD.

- **Specification**

LUMINOUS Flux 100± lm

DC AAx3 4.5V Primary /Rechargeable battery (Recommend)

Running hour 4-8 (Carbon zinc batteries /Alkaline battery)

light Efficiency 50 lm/w

Lift time of LED module 30000 Hrs

Color temperature 5500K/Ra 70-75

Dimension 16cmx2cmx4cm

Weight <100g(without battery)

Stainless steel /Alumina/ABS/PC/PMMA All recyclable
